World Safety Supply Center, Inc.

COMPANY HISTORY

World Safety Supply Center, Inc. is located in Lucky Place Bldg., M. Villarica Road, Sta. Rosa, Marilao, Bulacan.

The company started out in 2016 by its President, Ramon Rogel due to his effort and dedication to give his excellent way of servicing his clients since 2003 as Sales Representative with no salary but only commission. During those years, he was always far and beyond the sales target quota and therefore was urged by his supplier, DELTAPLUS, to open **World Safety Supply Center, Inc.** with their full support.

Hardly a year later, with fast growing Personal Protective Equipment (PPE) market in the Philippines, the company has been servicing some of the country's big companies. The success was because of our high-quality products, which are all CE and OSHC Certified. The Company is committed to bring world class standards into its services and superior quality of product made available at truly reasonable prices as part of our support to our customers.

World Safety Supply Center, Inc.

MISSION & VISION OF THE COMPANY

OUR MISSION

1.) To provide 100% quality performance and satisfaction in terms of services; and

2.) To provide quality, durable and reliable Personal Protective Equipment to all our customers.

OUR VISION

Be recognized and known as an effective, reliable and dependable supplier of Personal Protective Equipment to all our customers.
